

## VACANCY NOTICE

### PROCUREMENT OFFICER

Fusion for Energy (F4E) is hiring a Procurement Officer who will play a key role in furthering F4E's contribution to the construction and operation of ITER, the largest fusion energy device/machine in the world.

Reference	Grade	Location	Closing date
F4E/TA/AD6/2022/0252	Temporary Agent AD6	Barcelona, Spain <sup>i</sup>	29/11/2022 - 12:00 noon (CET)

#### Is this job for you?

If you want to make a difference to the future of sustainable energy and would like to work on a multi-billion euro first-of-a-kind development project, this job is for you.

The sought candidate has solid hands-on expertise in various procurement and contract management key areas of responsibility such as strategy and negotiation and will be requested to lead procurement procedures in an independent way.

Several hundred industrial partners are currently under contract, designing and manufacturing complex (unique/one-off) components, with an annual expenditure in the order of 1 billion € per year. The permanent improvement of an already high-quality standard throughout the supply chain is of greatest importance to F4E, both from a nuclear safety regulatory perspective, and to ensure confidence that the gigantic systems will perform to its specifications, making ITER a success.

#### Why F4E?

**F4E**, a European Union Joint Undertaking headquartered in Barcelona. It specifies and manages the production of the European contribution (45%) to ITER. This research fusion machine/device, currently under construction in Cadarache, France, will constitute a major leap towards the clean and sustainable generation of abundant baseload energy, complementing renewables. ## **We are committed to Diversity & Inclusion**

---

Fusion for Energy is an equal opportunities employer and takes care to avoid any form of discrimination. As part of its commitment to diversity, gender equality and geographical distribution, F4E strongly encourages applications from female candidates and applies a policy of equal opportunities. It does not discriminate against anyone on grounds of gender, race, colour, ethnic or social origin, genetic features, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability or sexual orientation. Fusion for Energy offers measures to reconcile professional and private life and will provide reasonable adjustments at the workplace for persons with disabilities.

## **Your key areas of impact**

---

The Procurement Officer is a member of Commercial Management (ITER-D, ADMIN & PM) & Procurement Unit and reports directly to the Head of Procurement Group, holding direct responsibility for:

- Leading procurement procedures, from Call Procurement Strategy definition to contract signature, including:
  - o Lead the Procurement Strategy development
  - o Prepare and publish procurement documents
  - o Act as unique contact point for tenderers
  - o Coordinate negotiation with tenderers
  - o Manage tender evaluation and committee
  - o Present to Project Steering Meeting (PSM), and Procurement and Contracts Committee (PCC)
  - o Lead award and contract signature
- Ensuring an appropriate regulatory compliance level and ensure implementation of actions ensuing from audit findings;
- Managing document management activities and data in commercial tools (mainly executed by external support resources);
- Providing training to and ensure knowledge sharing with F4E staff on procurement scope;
- Contributing to business process management activities to improve effectiveness and efficiency of procurement processes.

The Procurement Officer manages the full life cycle of the procurement procedures, including preparation, definition and execution, from pre-procurement until contract signature.

## **What can we offer you?**

---

### **Life in Barcelona**

Barcelona offers professionals and families a high quality of life. It has a year round average temperature of 18°C and complements its cosmopolitan lifestyle and vibrant cultural life with the nature of the Mediterranean coastline and the Pyrenees.

The city is strategically located between the sea and the mountains, and it is served by an international airport. Barcelona is a cosmopolitan city with Roman remains, medieval quarters and the most beautiful examples of 20th century modernism and avant-garde architecture.

### **Salary and benefits**

As an indication, the basic monthly salary, for grade AD6 (step 1) is currently €5,669.29. In addition to the basic salary, staff members may be entitled to various allowances, in particular a household allowance, expatriation allowance (16% of basic salary and household allowance), dependent child allowance and education allowance. The salaries of temporary agents are subject to a community tax deducted at source and are exempt from national taxation.

Where you would need to relocate, you would normally benefit from relocation and removal reimbursements. F4E has agreements with a wide range of international schools to support access to schooling for the dependent children of its staff.

### **Work-life balance**

F4E enables staff members to reconcile family and professional life by offering flexible work arrangements and teleworking.

F4E staff members enjoy a basic entitlement of 24 days of annual leave as well as +/- 18 statutory public holidays per annum. Additional leave days may be granted for age and distance from the place of origin.
