- Support the project organisation set-up, for example roles and responsibilities, RASCI, ways of working, governance;

¹ Given the needs of the organisation, the candidate may be offered a position at any F4E working places: Barcelona (Spain), Garching (Germany) or Cadarache (France).

- Support cost, schedule and objectives cascading by ensuring appropriate awareness by all team members;
- Monitoring status on :
 - schedule [activities, milestones, interdependencies and critical path];
 - costs- spend vs annual budget, EAC, payment profiles;
 - work progress;
 - risks ;
 - actions;
- Prepare associated project management status reports – dashboards, KPIs;
- Support the project manager in his/her accountability to achieve time, cost and performance objectives by identifying deviations from project baseline, proposing preventative/corrective actions and by ensuring their follow up;
- Support best practice sharing within PPM community, including feedback and lessons learned, thereby contributing to promotion and development of an improved project management culture in F4E generally and in particular within the supported project team.
