Fusion for Energy seeks to establish a reserve list for the profile of Contracts & Procurement Support Officer.

Suitable candidates placed on the reserve list may be recruited upon decision of the Appointing Authority. Candidates should note that inclusion on the reserve list does not guarantee recruitment.

This reserve list may be used for recruiting candidates on other similar positions carrying the same profile as the one described in this notice.

The validity of the reserve list could be extended if the Appointing Authority so decides.

All the detailed information concerning the selection process may be found in the “Guide for applicants” published on the F4E website along with this Vacancy Notice.

1. RESPONSIBILITIES

As a member of the Procurement team in the Contracts & Procurement Unit within the Administration Department of 'Fusion for Energy', the Contracts & Procurement Support Officer will be supporting the Responsible Officers during the preparation and implementation of operational procurement activities and the resulting operational contracts. This implies the launch of operational procurement procedures and commercial contract management after contract signature.

The successful candidate will, among other tasks:

- Provide support to the Responsible Officer regarding the establishment and implementation of procurement strategies needed for the definition of operational calls for tenders;
- Support the preparation and publication of operational calls for tender, the commercial negotiation with tenderers, the evaluation of tenders (in collaboration with other F4E Responsible Officers), the preparation of the award and signature of the operational contracts;

¹ Given the needs of the organisation, the candidate may be offered a position at any of the other F4E working places: Garching (Germany) or Cadarache (France).

- Support the Responsible Officer in ensuring an appropriate regulatory compliance level and implementation of corporate policies through procurement activities and subsequent operational contracts, as applicable to individual cases and as mandated by the corporate objectives;
- Support the Responsible Officer in ensuring proactive implementation of cost containment policies and objectives throughout operational procurement activities, considering all phases in the product lifecycle (procurement, operation, maintenance and disposal) as appropriate;
- Provide support to the Responsible Officer regarding the establishment and implementation of commercial contract strategies as part of the risk analysis, market analysis, commercial and financial analysis related to the operational contract and contractual changes;
- Support all aspects of the commercial implementation of operational contracts, providing appropriate translation of F4E needs into contractual, commercial and financial solutions;
- Support the administration of operational contracts, including amendment preparation, option release, contract close-out, etc. and safeguard that actions of both contractual parties are compliant with contractual responsibilities and objectives;
- Contribute to the planning and reporting of Contracts & Procurement activities and ensure proper documentation and archiving of procurement procedures and resulting operational contracts.
