

CALL FOR EXPRESSION OF INTEREST FOR CONTRACT AGENTS FROM EPSO CAST RESERVE LISTS

1. INTRODUCTION

The European Joint Undertaking for ITER and the Development of Fusion Energy (Fusion for Energy or F4E) plays a key role in realising fusion as a possible future source of energy by providing the European contributions to the ITER International fusion energy project and the Broader Approach Agreement with Japan as well as by preparing for the construction of a demonstration fusion reactor.

In preparation for the construction of a demonstration fusion reactor (DEMO) and related facilities including the International Fusion Materials Irradiation Facility (IFMIF), F4E will implement a programme of research, development and design activities.

For further information about the structure and tasks of F4E, please consult the website at <http://fusionforenergy.europa.eu>

2. SUBJECT OF THE CALL FOR EXPRESSION OF INTEREST

Fusion for Energy is looking to establish a list of potential candidates consisting of Contract Agents that have already successfully passed CAST Selections organised by European Personnel Selection Office (EPSO) and whose names are placed on the EPSO CAST reserve lists valid to be used by the European Agencies.

The list of potential candidates will be established for the following profile:

Function Group II position:

Title – Secretary

Reference – F4E/CAST/FGII/2011/025

Short Description

The Secretary will be assigned to secretarial/administrative vacant positions in Fusion for Energy and work as a member of its team. He/she among others tasks will provide support to colleagues in the Joint Undertaking in his/her area of expertise; manage all incoming and outgoing mail and correspondence; register, store the documents in the F4E Document Management System and prepare and follow-up the routine correspondence for signature; maintain a schedule of appointments; manage functional mailboxes and update different tracking tables and database; contribute to preparation of presentations, working documents, reports and statistics related to the activity of the department; organize and provide logistic support for setting up technical meetings, fair stands, conferences and other events; provide basic administrative duties and give assistance such as archiving, filing, scanning, copying and reproducing documents; perform general secretarial / administrative duties and provide support related to specific tasks of a department, as deemed necessary.

3. GENERAL CONDITIONS

In order to be eligible, the candidate should be:

- Be included in the one of the appropriate EPSO CAST Reserve Lists available for use by the European Agencies;
- Submit a complete application (CV, motivation letter and EPSO letter);
- Have good knowledge of both written and spoken English, the working language of the ITER Project.

4. CONDITIONS OF EMPLOYMENT

A contract offer will be made as a Contract staff member, pursuant to Article 3a of the Conditions of Employment of other Servants of the European Communities, for an initial period of three years, with the possibility of renewal. The probationary period is 9 months.

For FGII profiles:

The successful candidate will be recruited in function group II (FG II). The grade (4 or 5) will be determined in accordance with the years of professional experience. As an indication, the basic monthly salary before any deductions or allowances for FG II (grade 4 step 1) is currently **1.847,76 €**.

For further information on remuneration for contract agents, visit:

http://ec.europa.eu/civil_service/job/contract/index_en.htm

In addition to the basic salary, staff members may be entitled to various allowances, in particular a household allowance, expatriation allowance (16% of basic salary and household allowance), dependent child allowance and education allowance. The salary is subject to a reasonable Community tax deducted at source and staff members are exempt of national taxation. The European institutions have their own social security and pension scheme.

Under certain circumstances, in particular where the jobholder is obliged to change his/her place of residence in order to take up employment, Fusion for Energy may also reimburse various expenses incurred on recruitment, notably removal expenses.

For reasons related to the Fusion for Energy operational requirements, the candidate will be required to be available at short notice.

Place of employment

Given the need of the organisation and upon the agreement of the candidate, the place of employment might be any of the F4E working places: Barcelona (Spain), Garching (Germany) or Cadarache (France).

5. THE PROCEDURE

The List of potential candidates

The purpose of this publication is to identify the potential candidates from EPSO CAST database that would be interested to join Fusion for Energy.

The F4E list of potential candidates successful with the selection will remain valid until 31 December 2012 and might be extended. However, candidates should note that inclusion in the F4E list of potential candidates does not guarantee recruitment.

After inclusion in the list of potential candidates, the applicants might be contacted when the appropriate position will become available. It should be noted that all the vacant positions at F4E are subject to the availability of budget and posts in the establishment plan of the Joint Undertaking, as decided by the EU budgetary authority.

Important - As long as applicants are not contacted, they are kindly asked **not to request** any additional information about the status of their application.

The Interview

As soon as the need of a specific profile arises in any of the Departments or Team of Fusion for Energy, only those candidates who have the best profiles for the specific position will be contacted and if appropriate invited for an interview, which will be held mainly in English. Travel expenses incurred for interviews will be reimbursed by Fusion for Energy according to its rules for the reimbursement of travel expenses sent along with the letter inviting to an interview.

Candidates invited for an interview will be requested to present for verification all documents supporting every educational achievement and work experience they have referred to in the application.

The interview will focus in particular on the candidate's specialist knowledge in the field of the selection and his/her knowledge of the main developments in European integration and Community policies. The interview is also designed to evaluate his/her linguistic skills and ability to adjust to working in a multicultural environment.

The interview sessions will be held in any of the F4E working places: Barcelona (Spain), Garching (Germany) or Cadarache (France).

Please note that a binding commitment can only be made after verification of all conditions and will take form of a contract signed by the Director of Fusion for Energy.

If at any stage of the procedure it is established that any of the information a candidate provided is incorrect, this candidate will be disqualified.

6. GENERAL INFORMATION

Commitment to promote equal opportunities

Fusion for Energy is an equal opportunities employer and strongly encourages applications from all candidates who fulfill the eligibility and selection criteria without any distinction whatsoever on grounds of nationality, age, race, political, philosophical or religious conviction, gender or sexual orientation and regardless of disabilities, marital status or other family situation.
