This publication concerns a permanent position and, therefore, the candidate **must** be an **EU official in an EU Institution or Agency / Body**.

The place of employment is Barcelona, Spain.

Given the needs of the organisation, the candidate may be offered an employment at any of the other F4E working places: Garching (Germany) or Cadarache (France).

3. RESPONSIBILITIES

As a member of the Management System and Organisational Improvement Unit of 'Fusion For Energy', and directly reporting to the Head of Unit, the Internal Control Assistant is responsible to support the Internal Control Coordinator in its functions, to coordinate the relation and interaction with the Court of Auditors and to ensure the coordination of the audit reports and their follow up. He/she will also provide any other support in relation to the Director's assurance and will be responsible to manage the record of exception process.

The successful candidate will, among other tasks:

- Assist the Head of Unit in preparing and setting up the internal control environment of F4E. This includes the participation in the Internal Control Standards working groups and the follow up of the action plan on the implementation of the Internal Control Standards;
- Act as F4E Liaison Officer to the European Court of Auditors, including the coordination of the Court's annual visits and the preparation of F4E's replies to the Court's audit findings;
- Assist in preparation of the F4E's Annual Activity Report, in particular the report of the Authorizing Officers and Authorizing Officers by delegation;
- Provide periodical reporting to the hierarchy regarding the record of exceptions and any other relevant business and performance indicators;
- Work in close collaboration with the Quality Manager to improve the Integrated Management System at F4E and its workflows;
- Act as the owner of the financial delegations and monitor their implementations;
- Assist in any other activities in relation to the Director's assurance;
- Support the Internal Control Coordinator in his/her function, in particular concerning record of exception, coordination of the implementation of the integrated management system standards, overall monitoring and control strategy, building blocks, financial circuit and its delegations, ex-post strategy, etc.

4. QUALIFICATIONS AND EXPERIENCE REQUIRED

- Being an established EU official at grade AST 3/9 in a EU Institution or Agency/Body;
- Proven experience related to the responsibilities above, in particular related to a control environment such as Internal Auditing, Internal Controls or Quality Management,
- At least 3 years of professional experience related to the similar function;
- Ability to grasp problems of all kinds, often complex in nature and to react rapidly to changing circumstances;
- Strong ability to communicate effectively;
- Good command of both written and spoken English, the working language of the ITER Project.

Knowledge and/or experience of the following will be advantageous:

- Good knowledge of common international Internal Control practices;
- Good knowledge of the EU Financial and Budgetary Framework and Rules;
- Experience in liaising with the European Court of Auditor and discharge procedure;
- Good knowledge of IT tools related to financial/budget matters and information systems.

5. SELECTION PROCESS

An Interview Board will be set up for the selection process.

The eligibility of candidates will be assessed by the board according to compliance with all formal requirements by the closing date for the submission of applications.

On the basis of the CV and taking into account this notice of vacancy, the Interview Board will decide which are the candidates best suited to be invited for an interview, which will be held mainly in English.

The interview sessions will be held in Barcelona, Spain, and candidates will be evaluated by the Interview Board.

When possible, a list of the most suitable candidates will be transmitted to the Appointing Authority, who will appoint the successful candidate.

As soon as this decision is taken, all candidates will receive an information letter.

The present vacancy notice is subject to the availability of budget and posts in the establishment plan of the Joint Undertaking, as decided by the EU budgetary authority.

Please note that applications will not be returned to candidates but will be kept on file by 'Fusion for Energy'. The information provided in your application is subject to EU legislation on protection of personal data and confidentiality of information.

If at any stage of the procedure it is established that any of the information a candidate provided is incorrect, this candidate will be disqualified.

Taking into account the nature of the duties, and in order to facilitate the selection process, all communications to candidates concerning this selection procedure will be in English.
