

**FUSION
FOR
ENERGY**

VACANCY NOTICE

PROJECT MANAGEMENT PROCESSES & SYSTEMS OFFICER

Fusion for Energy (F4E) is hiring a Project Management Processes & Systems Officer who will play a key role in building and maintaining F4E Project Management information systems.

Reference	Grade	Location	Closing date
F4E/TA/AD6/2022/0251	Temporary Agent AD6	Barcelona, Spain ⁱ	28/06/2022 - 12:00 noon (CET)

Is this job for you?

If you want to make a difference to the future of sustainable energy and would like to work on a multi-billion euro first-of-a-kind development project, this job is for you.

We are looking for ability to deliver quality service and straddle the worlds of Project Management and information technology systems on a huge project with annual expenditure in the order of 1 billion € per year.

Why F4E?

F4E, a European Union Joint Undertaking headquartered in Barcelona. It specifies and manages the production of the European contribution (45%) to ITER. This research fusion machine/device, currently under construction in Cadarache, France, will constitute a major leap towards the clean and sustainable generation of abundant baseload energy, complementing renewables. To find out more about F4E, visit us at <https://fusionforenergy.europa.eu/>.

We are committed to Diversity & Inclusion

Fusion for Energy is an equal opportunities employer and takes care to avoid any form of discrimination. As part of its commitment to diversity, gender equality and geographical distribution, F4E strongly encourages applications from female candidates and applies a policy of equal opportunities. It does not discriminate against anyone on grounds of gender, race, colour, ethnic or social origin, genetic features, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability or sexual orientation. Fusion for Energy offers measures to reconcile professional and private life and will provide reasonable adjustments at the workplace for persons with disabilities.

THE EUROPEAN JOINT UNDERTAKING FOR ITER AND THE DEVELOPMENT OF FUSION ENERGY

Josep Pla nº 2 · Torres Diagonal Litoral · Building B3· 08019 Barcelona · Tel. +34 93 320 18 00 · Fax +34 93 320 18 51

Your key areas of impact

The Project Management Processes & Systems Officer is a member of the Project Management (PM) Department team and reports directly to the Head of PM Department.

The F4E PM Department has a suite of tools for the management of projects. These include Oracle Primavera, EcoSys EPC, and Sword Active Risk Manager. Information from these tools is transferred to F4E's Business Intelligence system (Integrated Reporting System).

The successful candidate will hold direct responsibility for:

- Lead the development of F4E's reporting tools and Business Intelligence capabilities;
- Lead the administration, maintenance and development of the Project Management Systems;
- Design and develop Project Management Key Performance Indicators to measure programme and project performance;
- Manage the monthly data upload process to ensure that monthly reports are accurate and available on the required timescale;
- Lead the specification, design and development of new Project Management systems;
- Supervise the work of External Service Providers providing support to the PM Department;
- Interact with the Digital Transformation (DT) Unit on behalf of the PM Department for any related matter.

What can we offer you?

Life in Barcelona

Barcelona offers professionals and families a high quality of life. It has a year round average temperature of 18°C and complements its cosmopolitan lifestyle and vibrant cultural life with the nature of the Mediterranean coastline and the Pyrenees.

The city is strategically located between the sea and the mountains and it is served by an international airport. Barcelona is a cosmopolitan city with Roman remains, medieval quarters and the most beautiful examples of 20th century modernism and avant-garde architecture.

Salary and benefits

As an indication, the basic monthly salary, for grade AD6 (step 1) is currently €5,669.29. In addition to the basic salary, staff members may be entitled to various allowances, in particular a household allowance, expatriation allowance (16% of basic salary and household allowance), dependent child allowance and education allowance. The salaries of temporary agents are subject to a community tax deducted at source and are exempt from national taxation.

Where you would need to relocate, you would normally benefit from relocation and removal reimbursements. F4E has agreements with a wide range of international schools to support access to schooling for the dependent children of its staff.

Work-life balance

F4E enables staff members to reconcile family and professional life by offering flexible work arrangements and teleworking.

F4E staff members enjoy a basic entitlement of 24 days of annual leave as well as +/- 18 statutory public holidays per annum. Additional leave days may be granted for age and distance from the place of origin.

How will we evaluate your application?

A Eligibility Criteria - you can apply if:

A1. You fulfil five general requirements

1. Being a citizen of one of the Member States of the European Union or of a third state fully associated with the Euratom fusion programme.
2. Enjoying your full rights as a citizenⁱⁱ.
3. Have fulfilled the obligations imposed on you by the laws of your home country concerning military service.
4. Producing the appropriate character references as to your suitability for the performance of your duties.
5. Being physically fit to perform your dutiesⁱⁱⁱ.

A2. Your Education & Experience are in line with our requirements^{iv}

On the closing date of the application process, you must have:

A level of education which corresponds to completed university studies of at least three years attested by a diploma and, after having obtained the university degree, at least 3 years of proven professional experience.

A3. Your Language Skills are developed

You must produce evidence of excellent written and spoken communications in English and of a satisfactory knowledge of another official language of the European Union.

B Your Qualifications and Experience

B1. It is essential that your professional history cover the following areas

- University degree in an Engineering, Management or equivalent;
- At least 3 years of experience in creating reports and data analysis for external stakeholders;
- At least 3 years of experience in implementing Earned Value Management Systems and/or Project Management Key Performance Indicators;
- At least 5 years of proven experience delivering Business Intelligence solutions in an enterprise setting;
- Experience in Business Analysis and Software Systems Requirements Management.

B2. Advantageous Selection Criteria

In addition to the above, the following criteria will be taken into account:

- PMI (Project Management Institute) PMP certification or equivalent;
- Experience in data management and/or administration of one of the following:
 - Oracle Primavera;
 - EcoSys EPC;

- Sword Active Risk Manager;
- Proven professional experience of creating reports and data analysis using SAP Business Objects;
- Knowledge of SQL and Export Transform and Load (ETL) techniques;
- Working experience in European or international environment.

B3. Competencies

The following competences will also be assessed:

- Use of a variety of analytical techniques and tools appropriate to the context to analyse and solve the problem;
- Demonstrate ability to communicate effectively in a clear and concise manner. Manage to pass information with credibility and conviction and to adapt communication according to the audience;
- Is organised and structured which reflects in the efficient planning of work;
- Remain objective, focused and productive in a stressful environment; focus on solutions rather than problems;
- Show a high sense of responsibility for own work and demonstrate the ability to accept accountability when required.

Submission of applications

The online application process starts upon clicking “**CLICK TO APPLY**” next to a vacancy of your interest on the Open Positions page: <https://jobs.f4e.europa.eu/>

You must register your application online through the F4E E-recruitment tool by creating a valid F4E user account and submitting the documents mentioned below.

Please note that the online e-recruitment application tool is the *only* acceptable means of submitting/sending in job applications. You are responsible for keeping your e-mail addresses and personal details up to date in your profile in the F4E online application tool.

The mandatory fields in the profile marked with an asterisk should be duly filled in and you are requested to submit the following two documents:

- A detailed Europass Curriculum Vitae in **English** (can be obtained at the following address: <http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>)
- A motivation letter of 2 pages maximum in English

**Applications must be complete and validly submitted by the closing date for submission of applications
No later than 28/06/2022 at 12h00 noon Barcelona time.**

In case you encounter technical problems when trying to submit your application via the e-Recruitment tool, please take a screenshot and send it to hr-selections@f4e.europa.eu. It is your responsibility to inform F4E about any technical problem immediately, within the deadline mentioned above.

Please, do not send any supporting documents (i.e.: copies of your ID-card, educational certificates, evidence of previous professional experience etc.) with your application at this stage if not specified in the Vacancy Notice.

Conditions of employment

Successful candidates will be placed on a Reserve List, and one of the candidates thereon may be offered this position.

For more information on the selection process of Temporary Agents and on the contractual and working conditions, please, refer to the "[Guide for applicants](#)" published on the F4E website along with this Vacancy Notice and the [Conditions of employment of Other Servants of the European Communities](#).

How is your data protected?

'Fusion for Energy' as the body responsible for organizing the selection process, will ensure that your personal data are processed as required by Regulation (EU) 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC Text with EEA relevance. This applies in particular to the confidentiality and security of such data. Personal data shall be processed solely for the purpose of the selection procedure.

You have the right to access and rectify your data. To update your CV and/or Motivation Letter and rectify any incorrect or inaccurate data, please login into your e-recruitment profile before the deadline for submission of the applications elapses.

After the deadline for applications has elapsed, this right will be limited to the rectification of identification details and contact information only.

Vacancy published on F4E website on 27/05/2022.

ⁱ Given the needs of the organisation, the candidate may be offered a position at any of the other F4E working places.

ii Prior to any appointment, the successful candidate will be asked to provide a certificate issued by the competent authority attesting the absence of any criminal record.

iii Before their appointment, the candidate shall be medically examined in line with requirement of Article 12(2) (d) of the Conditions of employment of other servants of the European Communities.

iv Only study titles that have been awarded by the Members of the Joint Undertaking or that are subject to the equivalence certificates issued by the authorities in the said Member States shall be taken into consideration.
